

# BENEFITS OF UK MANUFACTURING

The 'Made in Britain' tag is a powerful message for ethically and environmentally conscious brands.

You are supporting British craftsmanship, the UK economy and the job market.

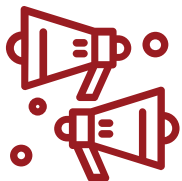

Quick turnaround times.

High-quality products.

Low minimum order quantities.

Simple communication channels with no language barrier.

Flexibility and the ability to react quickly at every stage of the process.

No nasty surprises generating from exchange rate changes.

No customs issues or import duties.

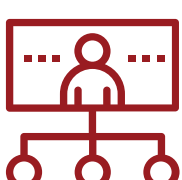

Credit accounts rather than upfront payments. (Terms and conditions may apply)

Reduced environmental impact and carbon footprint by avoiding air freight.

Understanding the provenance of your promotional product.

Brand Britannia can offer the security of an ongoing supply chain.
